Happy first day of Spring!!

What a beautiful day to start off Spring! I'm looking forward to the 50-degree weather and being able to crack open some windows to get fresh air. It has been a busy time in the office with the PS-K Open House and registration. Our enrollment is looking great for next year with some classes already over half way full! Make sure to register soon to keep your spot! The Preschool-Kindergarten Open House was a big success! We already have 14 new students enrolled for next year. **April 25th from 5-6:30 PM will be our All-School Open House, please save the date!** This will be an opportunity

for you to check out your child's current classroom and see the projects they have been working on, as well as a chance to check out next year's classroom. We will also have the Scholastic Book Fair going on during this time and you can shop books in the gym/social hall. We hope to see you there!

God Bless!

Our VIP & Son Bowling event was a big hit! It was wonderful to see so many of our students there and having a blast!

Remind App

Mrs. Weaver has created a Remind messaging system for our school. This system will be used to quickly communicate to parents about snow days, early release days, and other important information. In the event of an emergency where parents would need to pick up their children, this system could also be used. Each family can add 1-2 contacts onto the messaging system. Please see the details below as well as the attached flyer about how to sign up!

Text @smmca22-23 to the number 81010 to sign up or go to <https://www.remind.com/join/smmca22-23>
